Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Provided herewith are copies of patents and publications as listed in the attached PTO-1449 (supplemental).

No item of information contained in the accompanying information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned person, after making reasonable inquiry, no time of information contained in the accompanying information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement.

While the statement may be "material" pursuant to 37 CFR 1.56, it is not intended to constitute an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such. The filing of this statement does not mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists.

Please charge our Deposit Account No. 11-1449 for any additional fees or credit our account for any overpayment. **A duplicate of this transmittal is attached.**

Respectfully submitted,
